You can save the Prince, Mishe.
If you win a game against me,
I'll return you two to land.

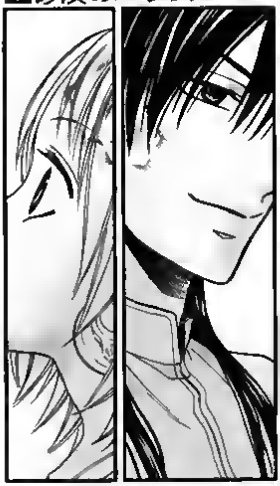
you can throw knives at them.
For you, it will be your prince,
and for me, a sailor.
We'll take aim at fruit placed on each one's head,
and whoever misses first loses. How does that sound?
SHUNK...
...I'M GOING TO
THROW KNIVES AT PRINCE KALLUM ...?!
...!-

Mishe, didn't you say
you'll never forgive me if I hurt Prince Kallum?
It was so sudden that I was caught off guard.
It's not centered!
My arm is a little off because I'm rusty.
I can't do something like that!
Sorry Sorry
Tch!
Morgiene!
Tee hee!
That is, if you can.
If you really mean what you said,
then show me by winning.
MORGIANA
Heh
What?
Help me catch them!
What happened?
The chickens escaped from their coop.
FLIP
FLIP
TO GET ME TO HURT PRINCE KALLUM
FROM THE START MORGIANA NEVER INTENDED TO GO BACK TO LAND
FURTHERMORE THIS IS PROBABLY A WAY

Such an easy game ought to be fine, right?
It's not enough for me to enjoy myself, but
it'll do. I'll go along with it.
YOU IDIOT
YOU STUPID PRINCE!!
WHAT'S SO EASY ABOUT THIS?!! YOU'LL PROBABLY GET HURT!
Idiot! Idiot! Idiot! Idiot!
The knife only has to hit the fruit, right?
I'M NOT THAT DEXTEROUS!!!
Who do you think is doing this?!
Either way we have no chance.
I have no expectation of your skill, so I'm not going to worry about that.
WHAT?!
Putting it that way pisses me off!
But



have faith in me and throw.
Can you do that?

IT'S STRANGE, BUT
Does he already have some sort of plan in place?
HIS EYES ARE BRIMMING WITH SELF-CONFIDENCE

Heh!
Good girl.

...I understand...
I FEEL A LITTLE MORE AT EASE.

I don't need a reward!
Ugh!
And when we get home, I'll finish what I started.
LET'S GET THIS OVER WITH!
It'll be your reward.
We've been told to move the boats
Why me?
There was a lottery
AWKWARD
whoosh
Like thus?
whoosh
Ugh!
That's one easygoing Prince.
Or maybe he wants to seem strong in front of his wife.
mutter
Or like thus...?
mutter

Is it true that Anatolia is targeting us?
Sorry, but I'm not in the mood for conversation.
I have a question to ask you.
Come to think of it,
"Did you want to become King Aleph's wife?"
"Now is not the time for that conversation."
No, you're going to answer me.
Obviously, I'd strike back at them.
And if I told you, what would you do?
If you know of some kind of weakness, tell me.
Your country is friendly with that country, right?
Vengeance...
What kind of sentiment is that?
What?
Hmph
If I could get a hold of that king's neck,
it'd quell a bit of the captain's hatred...

No man can surpass a man from the past
who still imprisons a woman.

TMP...
...I'm g-going to throw it...
Yes, set your mind to it and throw!
Calm down, me...!
NOW IS THE TIME TO TRUST PRINCE KALLUM. ALL I HAVE TO DO IS THROW
I ought to throw gently so he doesn't get hurt?!
TUP!
THONK!

WHOOSH!
Whoa!
...
Hey.
Wait!
SPLAT
DRIP

sLi ng...
Oh no! What a waste of the fruit!
But your control isn't bad.
You think so?
Maybe it's because
when I was a slave, to get back at the eunuch who used to whip me,
I aimed at his forearm so I wouldn't get caught
THWIP
I threw small stones at his head.
THAT'S UNEXPECTEDLY PETTY OF YOU
ON TOP OF THAT, BECAUSE THE SUBJECT MATTER IS SO SENSITIVE, IT'S HARD TO ASK MORE ABOUT IT
It exploded.
It exploded.
IT EXPLODED?!
Soaked
You threw it way too hard.
I-I'M SORRY!
WHEN I TRIPPED, I ACCIDENTIALLY THREW TOO HARD...
so I wouldn't miss the target

Mishe, how old are you?
That's not the problem
Huh?

They are the same
There's no need to worry; it's not poisoned.
Would you like us to switch cups?
Wait a minute.
Huh...

I feel fine.
It's not poisoned, but
do you feel all right?

No way!
Wasn't that herd alcohol?!
Shouldn't you make her drink more?
My throat is a little warm, hmm...

...No, that's enough.
In a little while, we'll see what condition she's in
Hey, everyone, help me get things ready
I guess we have no choice

CHATTER...
You can do it, Captain!
That was close, wasn't it?
That's enough, Captain.
You don't have to have an honest competition.
This isn't a joke!
Me losing to royalty?!
I will never let that happen!
Captain ...
My, my...
I'm happy you've become entranced by me, but
HEY!
how about you pay attention to your crew a little more?

CHATTER
there aren't meny crew-men on deek
Now that I look around,
Right now, there's a small fire ---
A lot of the crew went below deek to do preparatory maintenance.
How many crewmen went below deek to handle the escaped chickens?
IT CAN'T BE.
Mishe.
FLUFF
CHOMP!
you've done well up until now.
just as expected of my wife,
Now, take a break
SLISH

Huff
Capture
him!
RAWRRR
and leave the rest to me.

Everyone who went below deck is exhausted--
Rwarr!
Captain!
Everyone, calm down!
SWIP!
Huh?!
WHA
CK!
Pardon us
for being late.
WHOOSH
My subordinates snuck into the ship's hold.
SHFF
I serve Prince Kallum.
No.
What ?! You aren't part of the crew?!

Rwarr...
Captain, get back!
They infiltrated without me noticing.
TING
I had to do quite a bit of talking in order to put everyone down.
Luring the crewmen was difficult.
You sure did take your time.
DON'T TELL ME
IT HAPPENED DURING THE INITIAL SCUFFLE?!
If you care about what happens to this girl--
?!
SLUMP!
WHUMP!
Don't move!

SHE'S ASLEEP ?!!
ZZZ
NOW SHE'S FINALLY DRUNK.
Hic
because Prince Kallum said to take a break
SLUMP...
You're sleeping without a care in the world?!!
Hey!
Heavy...
Heh!
Good girl, Mishe!
SWIP!
!
Really?
Eh heh heh
WHACK
Yeah
I should give you an extra reward.
Umm...
I don't need one
mumble

ALLOWED HIMSELF TO BE CAPTURED FOR THIS CHANCE?!
THIS MAN
Gasp!
...IT CAN'T BE.
PULL
Morgiana!
Guh!
Everyone's been captured.
...Now then, Morgiana,
you rebels are supposed to be punished, but
Grr...!

Come under my control.
you don't seem to be bad.
Mustache man works efficiently.
Bald man doesn't have any trouble doing heavy labor....
Wait a minute!
YOU WERE OBSERVING US THE WHOLE TIME?!
That's why you allowed yourself to be captured
Stout man over there,
What ...?
you move slowly, but you take good care of the crew.
Eye-patch man is fiercely loyal and trustworthy.
Me?!
You can't be completely bad guys.
You didn't make Mishe drink more alcohol.
And

you all were targeting smuggling ships and slave ships.
Without putting civilians in danger, you are distributing goods to the poor.
The pain of the oppressed drove you to be chivalrous thieves, right?
That may be so, but
how does controlling us benefit you?
Suppressing us will become one of your achievements.
"After all, I'm sure that isn't
what Morgiana intends."
That's not it at all.
It's because this girl would end up sad.
"Prince Kallum is not like that man!"
...I see.
You really are a strange prince.
...But
Hmph!

Captain!
Punishment or submission...
Give me a little time to talk it over with my crew.
As captain,
I would hate for my crew to face hardship again.
I can't trust you so easily.
I'm going to let Mishe rest first.
Yes.
Me too!
Me too!
Raaa
NO MATTER THE PUNISHMENT, AS LONG AS WE'RE TOGETHER WE'RE NOT AFRAID OF ANYTHING!
ME TOO!
BECAUSE THE ONE WHO TOOK ME ONBOARD WAS THE CAPTAIN!!
I'M STICKING WITH THE CAPTAIN!
Yah!
"You and the others aren't needed."
...A
PEOPLE ARE STILL SUFFERING
BECAUSE OF THAT MAN!
It's awful...

A...
leph...
So that's the name you say in your sleep?
That man hasn't quite disappeared from your mind.

Uh...
...nnn
warm...
squeeze
Aleksei

You're quite brave.
Pr-
...Huh?
?

Speaking another man's name
while hugging me?

Prince Kallum?!
How do you feel?
Uh?
N-normal, but
what in the world are you talking about...?
SWIP!
I see.
GRAB!
SWIP!
Since that's how it is,
?!
teasing you shouldn't be an issue.
SLIP
?!!
Huh?
SLUSH
squirm squirm
Talking things over?!
About what?
Or rather...
She's in the middle of talking things over.
W-w-w-wait! What about Morgiana?!
HUH
STOP ?!!
!!
I already said
FWUMP
AU
DIDN'T I TELL YOU TO STOP?!!
GH!

I'll even use force to make you spit it out.
I CAN'T MOVE
HE'S STRONG.
...BUT RIGHT NOW,
I'm sorry, Prince Kallum.
it's getting on my nerves, didn't I?
I won't allow you to dodge the question again.
but now I don't want to wait
I felt like giving you time to answer my question from before.

BELCH
Drunk
but I'm going to throw up...
HORF
Now is not the time for me to be toyed with.
We'll talk later!
Get back!
You're getting outfitted this station
That's not the kind of spitting out I was talking about.
IS ACTING STRANGE.
Now that I think about it, he seemed a little strange in the restroom.
I'm fine.
Rest a little longer.
I'M SORRY! I'LL GO WASH YOUR CLOTHES IMMEDIATELY!
AUGHHH
FOR SOME REASON, PRINCE KALLUM
PAMF
I brought a change of clothes.
It looks like I'm just in time.
BLARGH
NO MATTER HOW YOU LOOK AT IT, YOU'RE A LITTLE LATE.

SPLASH...
I've spotted it.
There's no mistaking it. That's the Black Sails pirate ship.
Shall we proceed?
Commence attack and make them surrender.
WHY IS HE IRRITATED?

If they do not surrender,
kill them.
